All Umpires are welcome, encouraged and recommended to attend the Gopher State Umpire Clinic. Our clinics are designed to allow umpires of all abilities an opportunity to enhance their skills and/or become educated in the finer points of umpiring. We are excited to welcome back the instructors from last years clinics Jeremy Barbe, Shawn Vellek, Andre Lanoue, Brandon Jackson and Mike Cantone. All instructors are dedicated to teaching and are excited to share their wealth of knowledge to the up and coming umpires of Minnesota.

Instruction to each student will include philosophy, mental approach and attitude towards baseball, including appearance and equipment. On field training for the 1 and 2-man umpiring system, which includes proper positioning and duties of the plate and base umpire. Every umpire will have the opportunity to participate in live drills where you will see the play and make the call. This clinic will also cover handling game situations, balks, ejections, etc. We will do our best to have you ready for opening day 2008! Don't miss out on this excellent training opportunity!

Every umpire who attends a clinic will receive an additional \$4 per game for the 2008 Gopher State season. With MSHSL registration, another \$1 will be added to the game total. This game bonus only applies to the Gopher State Spring Training, USSSA State Tournament, Tournament of Champions, Rec State, Gopher State League play and Fall League.

For more information, including instructor bios and maps to locations, log on to [www.myas.org](http://www.myas.org) and select the Official's Corner. Contact Jeremy Barbe at [jbarbe@myas.org](mailto:jbarbe@myas.org) or call 763-781-2220 ext. 1731
